Happy Anniversary to Bro. Devin and April upon your 2 years of service at Woodlawn!

Happy Anniversary

A Note
from the
Minister
of Music

Are you ready for the weather to change? When it's cold, we want it hot. When it's hot, we want it cool! As the saying goes, "we want what we want, when we want it and how

we want it." I, too, am looking forward to spring time and even want to rush in the new season.

Just the other day, Jeannie and I were commenting on how tall our daughter is and how we wish she would slow down! The fact is, however, just as sure as the seasons were made for change, our "little girl" will continue to grow up. We can't stop it.

God's blessings don't always come wrapped with nice packaging. I was reminded of this when we were praying about a personal financial matter and recently found myself with a flooded, yet now paid for vehicle. And we praise Him for it!

In the mist of life's storms, we can hold firm to His promises. God's word reminds us in Jeremiah 29:11; "*For I know the plans I have*

for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." (NIV)

God is good, all the time; and all the time, God is good!

Bro. Mike

the Master calls it a butterfly."
